GREETINGS FROM JOHN YAP, MLA

As your Member of the Legislative Assembly for Richmond-Steveston I would like to take this opportunity to offer greetings to all the residents, businesses and visitors to Steveston.

The Steveston Villager has a permanent place on the coffee table in the welcoming area of my constituency office. The publication is easily recognized and frequently read by my constituents and other guests who want quick, easily accessible information on Steveston. It is a wonderful resource to have available to people and I would like to offer my congratulations to all associated with the Steveston Villager.

Welcome to Steveston and I hope you enjoy all that our special village has to offer!

John Yap, MLA
Richmond-Steveston

GREETINGS FROM THE MAYOR:

On behalf of City Council, I would like to extend sincere greetings to all the businesses, residents and visitors of Steveston. It is also a pleasure to provide this greeting for the Olympic issue of the *Steveston Villager Business Directory*.

The *Steveston Villager Business Directory*, since 1986, has been dedicated to the promotion of Steveston businesses to its visitors and residents. The *Villager* continues to be a welcome and valuable resource for all who use it, and an integral part of the Steveston community.

Steveston is a vibrant area of Richmond, with something to offer for everyone. There are trails and dykes, natural parks and gardens, and a wide selection of amenities. In Steveston, one can stroll the docks, purchase fresh seafood directly off the local ships, enjoy the area's fine cuisine, or shop at the unique galleries and boutiques.

The 2010 Olympic and Paralympic Winter Games is fast approaching and we are proud to be a host city for this spectacular event. The impressive Richmond Olympic Oval will be home to twelve days of exciting speed skating during the 2010 Games. Richmond is also host to the O Zone, an official Celebration Site for the Games. The O Zone will present an exciting mix of arts, culture and sports entertainment and activities. Visits by Olympic athletes and simulcasts of Olympic competition on giant screens, will make the O Zone the place to be for a memorable 2010 Games experience.

My best wishes to all contributors and users of the Olympic issue of the *Steveston Villager Business Directory*.

Malcolm D. Brodie
Mayor

- Soo — pronounced "sü", like the name "Sue" — is the namesake of one of the founding couple, Philip and Soo Wong

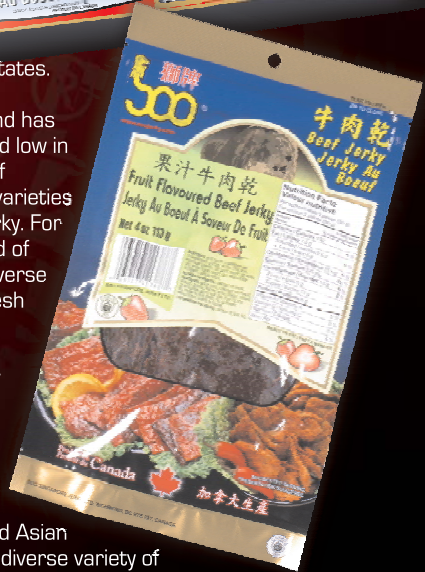

- Soo Singapore Jerky Ltd. is a federally registered and inspected Canadian meat plant, and the products manufactured here in BC are exported across Canada and into the United States

Authentic Asian Beef, Pork & Salmon Jerky

We're passionate about making quality, delicious Asian-styled jerky. For years, Soo's jerky has been a popular meat snack in the Greater Vancouver Asian community, and it's time to let loose on the secret of our traditional great taste to everyone. We make the jerky here in the Lower Mainland, where the manufacturing facility had its humble beginnings in Richmond in 1985. Our product being first sold back in the day in Vancouver's Chinatown, Soo's manufacturing has grown and matured to include distribution to all of the lower mainland, across Canada, and into the United States.

Jerky is a great source of protein and energy and has been for centuries. It's packed with nutrients and low in fat. Asian-styled jerky has evolved into all kinds of flavours of jerky, and we make over 25 distinct varieties in both beef and pork jerky as well as salmon jerky. For each flavour, we start with our own unique blend of spices and fragrant ingredients to satisfy the diverse Asian palette. These are then combined with fresh lean meat and dried and cooked to perfection. Being a Canadian federally inspected meat processing facility, we observe strict food safety principles and quality systems to ensure each package is consistently great and delicious for you to enjoy.

Our product is available at many Greater Vancouver stores and virtually all lower mainland Asian grocery stores and supermarkets. With such a diverse variety of jerky by Soo, you're certain to find a "popular meat snack" for you!

it's **So-ooo Good!!!**
